## Colour coded for hygiene and ease of use

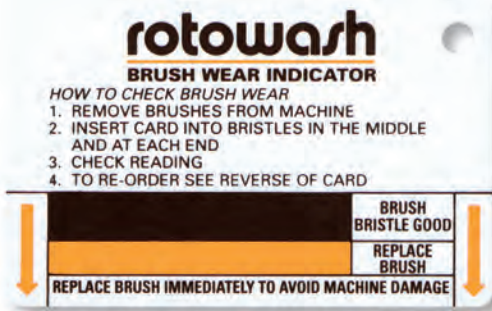

**rotowash** STANDARD black bristle brushes come with a choice of colour coded cores and end caps to help raise cleaning safety standards. Available in black, blue, red, yellow and green to give you total freedom of choice in your cleaning safety policy.

**rotowash** brushes are specifically designed to enhance and extend the cleaning method of the **rotowash** range of professional floor cleaning machines.

**rotowash** brushes are constructed from high quality polypropylene materials and meet the highest British and E.E.C standards on quality, safety and design.

**rotowash** brushes work effectively with most modern cleaning chemicals.

Available FREE from **rotowash** and helps you obtain the maximum life from your **rotowash** brushes. The Brush Wear Indicator measuring card shows you accurately when it is time to replace worn brushes
